F. Demand for Jury Trial

G. Consent to Magistrate Judge Jurisdiction

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below.

Choose only one of the following:

☒ Plaintiff consents to magistrate judge jurisdiction as set forth above. *J.R. Barbara Jones*

OR

☐ Plaintiff requests that a district judge be designated to decide dispositive matters and trial in this case.

I declare under the penalty of perjury that the foregoing is true and correct.
